## Cake Pickup Form

### Important instructions for preparing your car and delivering your cake

- Generally, your cake will be packaged in a sealed box to protect your cake from dust, rain or foreign objects (with the exception of extremely large or gravity defying cakes that may not fit packaging)
- The best way to transport your cake is in the back of a van, station wagon or SUV. If none of these options are available, it is possible to transport smaller sized cakes in the floorboard of a car, however this is a last resort due to the potential for damage.
- Under no Circumstances should a cake be transported on a vehicle seat! (and it is also highly discouraged to transport your cake on someone's knee/lap)
- Please prepare the back of the vehicle **in advance of picking up the cake** by clearing out any loose objects and vacuuming/shaking out any debris.
- On warm days, it is imperative that your vehicle have a working cooling unit (air conditioning). Please run it before your pickup until your car's interior is cool
- Allowing pets to be in the car during a cake transport is strongly discouraged.
- **Driver must take extreme caution, keeping the vehicle level at all times, especially when turning corners, and must avoid any sudden acceleration, cornering or aggressive braking.**
- Please adhere to the agreed-upon pick up time.
- Upon arrival at the event venue, be sure to set up the cake in a cool display area away from sunlight (and away from anywhere sunlight might move to) without delay

### Cake pickup Disclaimer

I have opted to pick up my wedding or specialty cake instead of having it delivered. I understand that transporting this type of cake requires all of the above pre-arrangements, and I agree to prepare my vehicle in advance accordingly

I acknowledge that once I've picked up my cake, Arbitrary Cakes cannot be held liable for any damage that may occur during transport, handling, set up or display. Once I have the cake, it is my responsibility to transport it **directly to the event venue** and not leave it unattended in my vehicle or anywhere outside.
